## GIRLS' GLEE CONCERT PROVES SUCCESSFUL

Well Balanced Program of Songs and Dances Given at Initial Performance of Club.

Success rewarded the efforts of the Girls' Glee Club in their initial performance at the Epiphany Hall Tuesday evening, February 28. Official G. W. was represented in the audience in the person of President Hodgkins.

Two selections by the Glee Club started the evening's entertainment, followed by three vocal selections by Winnifred DeVoe. Mary Vacarro then gave two folk dances, which were followed by a solo by Geraldine Barlow.

Costume ballads were sung by Elizabeth Kendrick representing England; Mabelle Bennett, Spain; Theresa Pyle, France; and Nelda Umbeck, India, followed by a dance by Alice Heyl.

After two selections by the club, Alice Heyl and Mary Vacarro gave a clever Dutch folk dance.

The program was closed by the Glee Club singing three college songs, the last being the "Buff and Blue."

The Glee Club concert owes much of its success to the efforts of Mrs. Otis D. Swett, who has directed their work throughout the year. Miss Phyllis Atkinson was the accompanist. Other members are:

Dorothy Ladd, Anne Theresa Lawrence, Catharine Hough, Mabelle Bennett, Elizabeth Kendrick, Theresa Pyle, Gertrude Bergman, Elizabeth Kehr, Winnifred DeVoe, Dorothy Manning, Eleanor Melchior, Ella J. Kirk, June Cooper, Nelda Umbeck, Alice Heyl, Geraldine Barlow, Maxine Rolfe, Anita McCord, Helen Pabst, Hazel Baine, Helen Hastings, Esther Edgerton, Janet Ransome, Helen Mankey, Phoebe Knappen, Mary Vacarro, Eunice Goddard.

## NEXT ISSUE OF GHOST TO BE BREEZY NUMBER

To Razz "Red" Razzberry, Recently Issued Publication of G. W.'s Journalistic Frat.

Ssssssh!!! And the way they blow, oh, boy! What? Wind and the hats, of course. But what's this that makes them stop and stare? The "Breezy" number of Ghost is out. Chief Spirit "Tex" Nall promises this issue of Ghost will live up to its title and will realize our fondest expectations.

Being somewhat fearful of its laurels, this number will devote considerable space to poking gentle (?) fun at "The Razzberry," the University's latest enthrallment, which has caused so much discussion and received so much praise. In other words, "The Razzberry" will be razzed until it justifies its ruddy hue.

Unfortunately this much anticipated number will be delayed in publication, due, Mr. Nall states, to a deficit of about \$100.00. When this amount is made up, which it will be shortly, according to Mr. Nall, Director of Student Activities, Morse will sanction its issuance. In the meantime, keep a two-bit piece handy in your pocket, for it will come with a rush and a bang which will sweep you off your feet like a "surenuf" March "Breeze."

## WOMAN'S UNIVERSITY CLUB PLANS FIRST-AID ROOM

Toothsome Sweets Sold To Meet Expenses; Girls Invited to After-Chapel Luncheons.

The Woman's University Club is progressing rapidly toward the establishment of a first-aid station for George Washington University girls. Selling candy to meet the expense is the girls' plan, and from all the facts on record it appears that few can resist the appeal of these sweet bearers of sweets.

To be located in one of the club rooms, the station will comprise a cot, fully equipped medicine cabinet and accessories, and there will be an attendant in charge. It will be for the benefit of all University girls. Need for such a station has been felt in the University for some time, it is stated, and the belief is expressed that no University girl will fall in appreciation of this up-to-date method of looking after her health and welfare.

All University girls are invited to attend the after-chapel luncheons of the club on Wednesdays. These are pleasant informal social affairs and have been very successful and well attended this year. Meetings of the club are held the first Thursday of every month in the club rooms during the evening hours.

## PROM

Attended by Nearly Three Hundred Couples Proves Big Social Success.

### SOME PROFS PRESENT

Grand March, Led by President Maxine Girts, of Columbian College Juniors.

Was the Prom a success? We'll say it was! All the usual attributes to a successful evening were there in the form of oodles of pretty girls in lovely dresses, brave college men, resplendent in formal dress, jazz music extraordinary, refreshments, everything.

In the ballroom, decorated with beautiful palms and flowers, fraternity banners and the University colors, some 280 couples tripped the light fantastic from 10 p. m. to 2 a. m. under the watchful eyes of the several deans and the most prominent and socially inclined of the professors. The grand march, the event of the evening, was led by Miss Maxine Girts, president of the Junior Class of Columbian College, and Richard Shreve.

The patrons and patronesses of the occasion were the Vice President and Mrs. Coolidge, the Secretary of Agriculture and Mrs. Wallace, the Attorney General and Mrs. Daugherty, Dr. and Mrs. Paul S. Reinsch, the President of George Washington University and Mrs. Hodgkins, Dean and Mrs. Merton L. Ferson, Dean and Mrs. William Allen Wilbur, Dean and Mrs. William Cline Borden, Dean and Mrs. H. E. Kalusowski, Dean George N. Henning, the Secretary of the University, Elmer Lewis Kayser, the Treasurer of the University and Mrs. Holmes, Mr. and Mrs. John Paul Earnest, sr., Mr. and Mrs. Cleveland Newton, Mr. and Mrs. George Young, Mr. and Mrs. Guy Campbell, Mr. and Mrs. Marlon Rhodes, Mr. and Mrs. Archibald Hopkins, Mr. and Mrs. Frank Ballou, and Dr. and Mrs. W. K. Butler.

## EDITION OF RAZZBERRY CONSIDERED SUCCESSFUL

Financially Not up to Expectations of Members; Creates Interest Among Students.

"The Razzberry has been a success," stated one of the members of Gamma Tau Zeta last night, "although it did not come up to our expectations in the financial aspect. We think it is successful from the great amount of enthusiasm which it has created in the student body."

Many students have gained the impression, according to the Gamma Tau Zeta member, that The Razzberry was to be issued at stated intervals during the school year. This is altogether wrong, but it is the intention of the fraternity to publish such a paper once every year.

Realizing that the sales of The Razzberry for ten cents would not amount to the price of publication, members decided to have it distributed gratis to every person attending the Glee Club concert-dance Saturday night. This was done, too, in order that it would reach a larger number of students than could be done by selling it.

## ENGINEER SOCIETY PLANS SPRING DANCE

Light Fantastic To Be Given at Cairo March 11; Price of Tickets Set at \$2.50.

"In the spring a young man's fancy lightly turns to thoughts of love." Love of what? Dancing. And here come the Engineers with their spring dance set for March 11 at the Cairo. For three long hours "Good's good music" will effect its famous syncopated strains. Novel programs are being arranged which will serve to enliven the dance.

Auspiciously timed, with sufficient interval between Junior Week events and other big events planned for later in the spring, this dance bids fair to be the biggest success ever achieved by the Engineers.

Extensive plans have been made by the following committee in charge of the dance: J. C. MacNab (chairman), D. B. Lloyd and M. J. Bussard. The committee is working on the basis that it is better to give a large crowd a good time for a small price than to give a small crowd a good time for a big price. In line with this policy, they have decided to award a free ticket to every person who sells ten. The tickets are \$2.50 and may be obtained from any member of the committee or other members of the Engineering Society.

## G. W. DEBATERS TO STUDY PARLIAMENTARY METHODS

Whether Senate Should Ratify Arms Conference Treaty Subject of Next Debate.

Procedure in mass meeting, including the election of a temporary chairman and the proper presentation of resolutions for which the meeting was called, for debate, and the proper form of debating the question will be the first of a series of studies of parliamentary procedure in a practical manner by the Columbian Debating Society at their next meeting on Friday, March 10. The debate of the evening will be: "Resolved, That the Senate of the United States Should Pass the Treaties of the Late Limitation of Armaments Conference in Washington Without Reservations."

There will also be a discussion of a tentative plan of intersociety debates between the Columbian Debating Society and the Enoonian Society of G. W. U., and also between the society and the Debating Society of Georgetown University. Other important business will include the matter of fines for reappearance of debaters scheduled on the night assigned, and the question of the election of a critic.

At a meeting of the society on Friday, February 24, the society postponed the next meeting to the week following, to be the evening of March 10. Supported by Messrs. Ohlander and Cross on the affirmative and Messrs. Wright and Sherman on the negative, the question debated was: "Resolved, That Congress Should Pass Within the Next Twelve Months a Bill Granting a Bonus to All ex-Service Men of the World War, the Expenses Incident Thereto To Be Raised by Taxation." The affirmative won, with Mr. Cross getting first honors and Mr. Wright second.

## HATCHETITES CLOSE SEASON WITH EIGHT FLOOR VICTORIES

Summary of Contests Given; All-District Team Picked; George Washington Outscores Opponents' Total by Eight Points; Gosnell Runner-up Point Scorer.

### LOSE THREE CONTESTS BY NARROW MARGINS

Buff and Blue, With Exception of Two Games, Start Scoring Before Adversaries.

Winning eight games out of fourteen starts is the record of the Hatchetite quint for the season just closed. In these games the Buff and Blue sharpshooters have tallied 376 times to their opponents' 368 counters, giving them an eight-point edge on the season's total.

Three of the six games lost were decided in the opponents' favor by exceedingly small margins. Games were lost to Bucknell by a two-point margin.

(Continued on page four.)

### DAILY AND GOSNELL PLACED ON FIRST FIVE

Abundance of Clever Guards on District Quints Making Selection Difficult.

With Old Man Basketball staggering from the stage and with King Baseball preparing for a grand entrance, The Hatchet takes the opportunity to pick an all-local intercollegiate quint. In our opinion this team is the ideal one, from the District colleges, but there may be better, as we are not infallible.

At the center of the court one man has stood out from all others. O'Connell, of Georgetown, with his floor

## GLEE

Club Concert Proves Fitting Climax of Successful Junior Week.

### OFFICERS MUCH ELATED

Dancing Follows Balanced Program of Songs by Club, Quartet and Soloists.

"A great success" is the consensus of opinion on the annual Glee Club concert and dance, held last Saturday night at the Raleigh Hotel ballroom, proving a fitting climax to this year's great Junior Week.

"The Mulligan Musketeers," better known as "The Mulligan Musketeers," was the favorite of the Glee Club numbers. The stirring martial air and catchy words were irresistible.

The Glee Club quartet, J. R. Dewitt, at the banjo, Harry Sokolov at the piano, and "Pres" Haynes at "solo warbling," made a big hit.

"Sokolov's Syncopating Sinners" furnished music for dancing after the concert.

"Financially and socially the concert was a great success." So stated President Lord of the Glee Club. "While all the tickets have not been counted," he said, "approximately 700 persons attended." "Everybody in the club is satisfied with the results, and we feel amply repaid for our efforts," Ronald N. Marquis, secretary and treasurer, said after the concert.

The Glee Club owes much of its success to the work of Director King-Smith, who has been training the members since the beginning of the school year. Director King-Smith smilingly admitted after the concert that "the tonal quality has improved wonderfully since the first of the year," and that the club could compete favorably with the best college glee clubs of the country.

## SOVIET RUSSIA PROBLEM TO BE DEBATED BY GIRLS

Negative Team Journeys to Ohio Wesleyan, While Affirmative Meets Opposition at Home.

Coach Shorb of the varsity debating teams for the George Washington University announces that arrangements have been made to stage a girls' debate between George Washington University and the Ohio Wesleyan teams. George Washington University's affirmative will meet West Virginia University at the Y. M. C. A. at 8:15 on Friday, March 3, and on the same night George Washington's negative team will meet Ohio Wesleyan at Delaware, Ohio.

The question as decided upon is: "Resolved, That the United States Should Recognize the Soviet Government of Russia."

The women's team for George Washington is unusually strong this year, because almost every member has had previous experience in intercollegiate competition. In 1919 Catherine Gayle represented the George Washington mixed debate team and also debated on the team which defeated West Virginia University. She is a member of the honorary debating fraternity, Delta Sigma Rho. Kathleen Duggan and Sarah Tishman were also on the girls' team last year, the latter being a member of the Delta Sigma Rho honorary society.

The negative team, which goes to Ohio Wesleyan, is composed of Filimora Wilgus, Mildred Belt, and Louise Foster. Filimora Wilgus is the only experienced debater on this team, having exhibited good work on the team last year. They are all law students except Mildred Belt, who is taking graduate work in sociology. The alternates of the teams are Miss Mildred Wilgus and Miss Randolph.

On March 10 the girls' affirmative team will journey to Swarthmore University, which debate will end the series of the triangular debates between George Washington, Swarthmore, and Ohio Wesleyan.

### RAISE MONEY WITH PARTY.

Announcement is made that the subscription card party held by the Nurses' Alumnae Association on February 16 cleared \$115, to be applied on the hospital endowment fund of \$10,000 which is being raised to endow a room in the hospital for the graduate nurses.

A subscription dance is to be held by the nurses in the near future.

## TRACK MEN ENTER GEORGETOWN MEET

Squad Has Worked Faithfully and Hopes To Give Hilltoppers "Run for Their Money."

George Washington University will be well represented at the big Georgetown track meet to be held at Convention Hall Friday, March 3, at which the best athletes in the South or Middle Atlantic States will compete.

Under the tutelage of Bryan Morse, the Hatchetite trackmen have been working out faithfully and will endeavor to give Georgetown's great team a "run for its money."

In the dashes Manson, Rowe, Tolson and Peake have been entered. Loehler, Henderson, Mona, Quevelin, Whitson, Simmons and McNeill will represent G. W. in the middle distances. Tracy, Hobson and Coster will run the mile for the Buff and Blue.

Nichols, the District of Columbia scholastic record holder for the high hurdles, and Knicoff will run the hurdles and should score points for their team.

In the field events G. W. has two entrants, Tolson in the pole vault and Altrup in the high jump.

## JUNIOR PRESIDENT EXPRESSES THANKS

Receives Letters of Congratulations From President Hodgkins; Grati-fied by Work of Committees.

The following letter has been received by Miss Maxine Girts, president of the Junior Class of Columbian College, from President Howard Lincoln Hodgkins, congratulating her upon the success of all the events of Junior Week:

"Miss Maxine Girts, President of the Junior Class, George Washington University.

"My Dear Miss Girts: I wish to congratulate you on the success of the two events of Junior Week which it has been my privilege to attend. The reception on Wednesday afternoon and the prom on Thursday night were both delightful events, and I am sure were enjoyed by all present, as they certainly were by Mrs. Hodgkins and myself.

"Yours very truly, (Signed) "H. L. Hodgkins, President."

"I am certainly pleased with the way Junior Week was conducted and with the hearty cooperation given by all the students in George Washington," stated Miss Girts. "It is not I, however, who deserves the credit for its success, but those who headed the various committees who worked untiringly and to whom I wish to convey the thought and thanks of the letter that I have received from President Hodgkins.

"I cannot overexpress my gratitude and overwhelming thanks to the student body who, by their cooperation and attendance, enabled us to bring about this, the third Junior Week. I believe the success of the events this year will insure the continuation of Junior Week as an embodiment in George Washington University."

## RULES FOR INTERFRAT PROM ARE ANNOUNCED

The committee in charge of the Interfraternity prom is making arrangements for the annual affair to be held on March 23, this year, that will insure its being the best and most attractive one yet given. It will be held at Rauscher's, and music and refreshments will be the best obtainable.

H. Howard Espey, chairman of the prom, has announced the adoption of the following rules to govern the dance:

1. There will be only 20 tickets allowed each general fraternity represented in the association.

2. There will be only 10 tickets allowed each professional fraternity represented in the association.

3. Admission will be by ticket only. There positively will be no admission by cash payments at the door.

4. Tickets will be \$4.00 per couple.

Positively no members of fraternities other than those having membership in the Interfraternity association will be admitted.

### FRAT MOVES INTO NEW HOME.

Kappa Tau Omega fraternity has taken a house at 1734 K Street Northwest and established itself in comfortable living quarters there. February 16 marked the first anniversary of the fraternity, and a banquet in honor of the founders was held at the house.

## A Successful Junior Week

Every student should be over-elated with the success that characterized every event of Junior Week. Not only was more enthusiasm shown during this period than has ever been accredited George Washington University, but the events themselves assumed proportions greater than any others given at this University. Every event was elegant, and every student should feel proud that the University he or she is attending is able to produce affairs of such caliber.

Junior Week is especially encouraging in that it has placed itself as a permanent fixture in George Washington University. Upon the success of the week this year depended its existence in coming years, but the critical test has been successfully met, and there is no doubt but that there will always be a Junior Week. The appearance of The Razzberry added pep and enthusiasm during the jollification, giving the pedantic artists and joy enthusiasts material for conversation.

Although the class officers and committeemen should be given credit for the execution of the Junior Week events, it was really the participation of the student that allows them to be acclaimed successful. At every occasion there was a good attendance. This should enable those in charge of the finances to declare the week successful financially, which state has not characterized many of the activities of the past. Junior Week has been the biggest time this year and forecasts predict that it will assume equal proportions in years to come. Congratulations are in order.

## Now for Debating

Debating is one of the oldest forms of mental agility. Having come down from the Greeks and Romans, it was an instrumental force in the founding of our country, having proved the worth of many of our greatest men. We are told it was the greatest activity of the colleges of fifty or sixty years ago. Why should it have assumed the state of dormancy which now characterizes it? Only the most energetic men and women evidence interest in the attempt to make the team, while scarcely a handful of students attend the debates held with different colleges. Tonight our women debaters test their wit against the team from Ohio Wesleyan. Our men debaters enter into the triangular debate with Swarthmore and West Virginia on March 24. These men and women are working untiringly to do their best for G. W. U. Let's attend the debates and show our men we are behind them while enlightening ourselves on the pressing questions of the day.

### KERN AND CROISSANT TO MEET IN WORDY BOUT

Furious Battle Expected; Walker, of "Razzberry Fame," To Officiate.

By I. M. NUTTY.

One of the best fights of years is promised by "Rex" Tickard, who is promoting the wordy bout between Battling Croissant and "Kid" Kern. It was announced that the fight will be held in the Library 2 a. m. February 31, as this is the accustomed place for wordy bouts and other disturbances.

Battling Croissant, according to his manager, "Hank" Doyle, is in fine form, having k. o'ed everybody who has dared oppose him. He has kept in excellent form by knocking everything and everybody in all of his classes with ironical and sarcastic wallops.

Moss, manager of "Kid" Kern, claims that Kern is desirous and anxious of meeting one who has knock-out ability comparable to his. Manager Moss admitted that "Croissant is in Kern's class and will probably give him a hard fight, but I am sure Kern will get the verdict."

The promoters have persuaded Manager Moss to be on hand with plenty of psychological theories and taka cola in order to prevent either of the big battlers from succumbing, as it is admitted that should either get a knock-out blow in, especially if both are in their usual excellent form, heroic measures will be necessary to revive the unfortunate fighter.

To insure a fair fight, "Rex" Tickard, the promoter, with the agreement of the two pugilists and their managers, has secured C. Melville Walker to referee this bout. Walker is well qualified to handle the fight, being well known in knocking circles, having achieved great fame in this line by putting out the "red" Razzberry.

### PUNGENT PARAGRAPHS ON THE PROM.

If anyone got by the 53 men on the door at Rauscher's without a ticket, he deserves an honorary G. W.

This is the first dance on record at the University that Howard Espey wasn't chairman of. Howard was there, though, and very busy picking up the K. A. sign every time some careless couple would dance by and knock it down.

The prom would have been an entire success except for two things: (1) J. Fuller Spoerri wasn't there, and (2) Bob Pulliam didn't make a speech.

Some one should have asked that those that threw confetti remove the cans first.

Apple Clark lost his black necktie trying to get his girl a balloon, and then got balled out because it didn't match her dress.

J. Foster detached the rear bumper from his flivver and wore it so he could dance without anyone sneaking up on him from behind and breaking something.

### CRAZY COMMENTS ON THE CONCERT.

One of the chorus must have been misplaced. He looked like the last 10 minutes of a misspent life.

Mr. King-Smith, the director, was becomingly costumed in a long swallow-tailed coat of black serge with trousers to match. His feet were bedecked with patent leather shoes (patent appl'd for June, 1898), and around his neck he wore a stiff white collar, together with a snow-white tie.

### INSTALL ALPHA DELTA PI.

Acting for the officers of the National Council, the Alpha Delta Pi Alumnae Club of this city installed the Alpha Pi chapter of Alpha Delta Pi at George Washington University. This new sorority was formerly Theta Lambda Sigma, founded May 1, 1920, by Eleanor Judd and Marion Drown. Monday evening, February 20, the members were pledged, and on February 24 the initiation was held in the chapter room at 2022 G Street, followed by a banquet at the Raleigh Hotel. Those initiated were Alice Ashford, Hester Bogardus, Wanda Castle, Mary Harrison, Cathryn Hays, Vera Johnson, Eleanor Judd, Katherine McCauley, Louise McDowell, Helen Newton, Marion Drown, Mary Ruthven, Frances Shea, Lillian Swecker, Dorotea Storck, and Helena Schoenfelder, and those pledged were Margaret Dubois, Marian Spielman and Isabel Wheatley.

## What Is Water Japan?

JAPAN—not the country but a metal-coating varnish—and your morning bottle of milk. Totally unlike, yet associated!

Ordinary japan consists of a tough, rubbery, tar-like "base" and a highly inflammable "solvent." The solvent dilutes the base so that the metal may be coated with it easily. The presence of the solvent involves considerable fire risk, especially in the baking oven.

Milk is a watery fluid containing suspended particles of butter fat, so small that one needs the ultra-microscope to detect them. An insoluble substance held permanently in suspension in a liquid in this manner is in "colloidal suspension."

The principle of colloidal suspension as demonstrated in milk was applied by the Research Laboratories of the General Electric Company to develop Water Japan. In this compound the particles of japan base are colloiddally suspended in water. The fire risk vanishes.

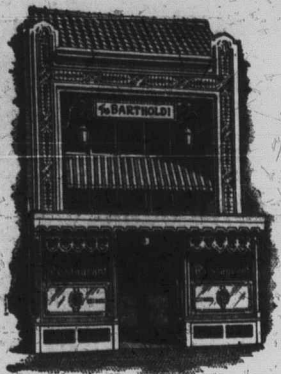

So the analysis of milk has pointed the way to a safe japan. Again Nature serves industry.

Connected with the common things around us are many principles which may be applied to the uses of industry with revolutionary results. As Hamlet said, "There are more things in Heaven and earth, Horatio, than are dreamt of in your philosophy."

## LACK OF RANGE BARS HATCHETITE RIFLEMEN

Scores To Be Kept To Show Where Team Would Have Stood.

"Unable to find a range in which to shoot, the George Washington rifle team is forced to stand idle and see the championship of the United States slip from its grasp," states Hugh Everett, Jr., a member of the team. Capt. Walter R. Stokes, the Hatchetite captain, has been ill with the influenza for the past two weeks, making it impossible for him to seek a range.

In order to keep in practice the G. W. rifle team will shoot indoors this season as members of the National Capital Rifle Club. They will participate in the National Interclub match, and while not in the collegiate class, permission has been granted to count their scores in this match for a berth on the all-star American collegiate team which will shoot against the British all-star team early this spring.

Although out of the national match, George Washington will shoot indoor matches against Georgetown, Maryland, Johns Hopkins and many others early this spring.

An outdoor match will be held on the Naval Academy range at Annapolis about the 1st of May. Teams from Georgetown, Maryland State, Norwich University (Vermont), The Citadel (South Carolina), Naval Academy, and George Washington will compete.

It is planned to publish scores weekly in The Hatchet to let G. W. students know where their team would have stood had a range been secured.

## LOYOLA WINS SECOND G. W. BASKETBALL TOURNAMENT

To Enlarge Scope Next Year in Order To Permit All Who Desire To Enter Contest.

George Washington University's second annual interscholastic basketball tournament for the South Atlantic Championship, brought to a close last week, showed some of the best and most exciting playing seen in high school games on local floors this year. The five representing Loyola, from Baltimore, seemed to have the edge on the other eleven combinations in team work and shooting, and handily romped away with the championship by defeating Army and Navy Preps, Hyattsville High School and Baltimore City College.

Starting promptly at 11 o'clock Tuesday morning and continuing until 7 that evening, eight exciting floor contests were staged. With the exception of Central High School, every preparatory and high school in the District had a team competing, as well as two teams from Baltimore. An interesting feature of the tournament was the fact that these two Baltimore teams came out ahead of all the District teams in the elimination and semifinal contests, and played the final championship game at 3 o'clock Wednesday, Loyola winning the cup by a few points.

A trophy in the form of a beautiful silver basketball and the title of Interscholastic Champions of the South Atlantic District were the laurels at stake. The trophy will be kept for a year by the winning team, and if won three times will remain the permanent possession of the victor. Last year Baltimore City College carried off the championship, and this year Loyola, another Baltimore team, came out the victor.

Bryan Morse expects to enlarge the tournament next year in order to make room for the many entries which were turned down this year, and make the contest really representative of the South Atlantic District.

## GIRLS LOSE TWO GAMES.

Two local teams were met by the G. W. U. girl tossers last Saturday evening at Epiphany gym, when the Buff and Blue reserves lost to the Marjorie Webster School with a 28-16 score, and the varsity missed defeating the Gallaudet girls by one point, the Silent tossers having to their favor a score of 13-12.

## SIGMA NU NOSED OUT.

Sigma Phi Epsilon nosed out Sigma Nu last Monday night in a closely contested game by a margin of one point. Both teams were rather lacking in team work and ability in shooting, but were full of pep and spirit, which made the game an exciting one. S. P. E. led in the first half by a score of 9 to 6, but they slumped in the final half and only succeeded in defeating their opponents 18 to 17.

## PHI SIGMA KAPPA WINS.

In the second game of the night Phi Chi outplayed the Phi Sigma Kappas during the first period, the half ending with the Medics leading 8 to 3. In the second half, however, P. S. K. made a strong comeback and by several sensational shots and steady team work gained a lead which they held to the end of the game, winning by a score of 16 to 14.

## WINS IN LAST MINUTE.

Sigma Chi came from behind last Friday evening to defeat Sigma Nu in a thrilling interfrat game, 13 to 12, at the Palace gym.

On the short end of the count for three periods of the game, foul tosses by Boettler, former G. W. varsity captain, in the last period brought the Sigma Chi to within striking distance, and a 2-pointer by Sam Roberts with 30 seconds to play gave Sigma Chi her margin of victory.

## S. A. E. WINS CONTEST.

Sigma Alpha Epsilon defeated Delta Tau Delta, 20-14, Tuesday evening at the Epiphany gym in one of the best games of the series. The game was close at all times, with Joe Colburn, of the Deltas, leading the scoring.

Stevens and Pease put up the best game for S. A. E., while Roberts played well for Delta Tau Delta in the back court.

## G. W. STUDENT MAKES ARRANGEMENTS FOR COLLEGE CONFERENCE

J. Fuller Spoerri, G. W. U. chairman for the District of Columbia of the National Student Committee for the Limitation of Armaments, had charge of the arrangements for the Washington conference of that organization held February 19 and 20. There are affiliated in this organization 235 American colleges and universities, with student bodies of more than 300,000. The delegation presented to the President a resolution embodying the main points of student sentiment on questions relating to the recent limitation of armament conference.

Five universities of the District of Columbia were represented by members on the arrangements committee. Those from George Washington, in addition to J. Fuller Spoerri, chairman, were Malcolm Wiseheart, Edw. S. Bettelheim, Jr., and Michael A. Mussman.

## ARCHITECTS HOLD DANCE.

The Architectural Club held its first dance of the year in the chapel of Lisner Hall last Tuesday. Although few attended, the burst of applause which greeted the arrival of each potential \$2 made every one feel warmly welcomed. The mental entertainment, and likewise the jokes, were furnished by J. Fuller Spoerri in conjunction with Robert Pulliam.

# REGISTRAR ANNA L. ROSE APPOINTED DEAN OF WOMEN

Received Education in District Schools.  
Graduate of Columbian College  
in Class of 1912.

Miss Anna Loretta Rose has been  
appointed acting dean of women for  
George Washington University, it was  
announced by President Howard L.  
Hodgkins. Miss Rose has been regis-  
trar of the Arts and Sciences since last  
fall, which position she will still re-  
tain as dean of women.

Her early education was received in  
the public schools, resulting in her  
graduation from Central High School  
in 1907. Pursuing her education fur-  
ther, Miss Rose graduated from Colum-  
bian College in 1912. At that time  
there was a woman to look after the  
co-eds' interests, but there were so  
few women attending the school then,  
in comparison with today, that the  
office was dropped. The increasing  
need for a woman especially appointed  
to look after the other women's needs  
was crystallized when President Hodg-  
kins appointed Miss Rose to be acting  
dean of women for the remainder of  
the school year. The duties of this  
office will consist of looking after the  
interests of the women in the Uni-  
versity.

# HATCHETITES CLOSE SEASON WITH EIGHT FLOOR VICTORIES

LOSE THREE CONTESTS BY NAR-  
ROW MARGINS

(Continued from page one.)  
gin and to Virginia by three points.  
With the exceptions of the second Gal-  
laudet and Catholic University games,  
the Hatchetites tallied first. Condition  
of the wearers of the Buff and Blue ac-  
counted for at least three of the six  
defeats.

Gosnell, G. W. forward, was the run-  
ner up for highest point scorer in the  
District, being second to Lynch, cap-  
tain and guard of the Brooklanders.  
The results of the season's games  
are as follows:

DAILY AND GOSNELL PLACED ON  
FIRST FIVE.

(Continued from page one.)  
work, size and shooting ability, is the  
best of the centers, with LaFountain,  
Gallaudet's big captain, as second  
choice.

At the forwards, Florence and Flav-  
in, Georgetown; Gosnell, George Wash-  
ington, and Fasce, Catholic University,  
appear to be the class. Gosnell was  
the Hatchetites' leading point scorer,  
as was Florence for Georgetown. These  
two men are picked for the first team,  
although they have little on the other  
two.

There was an abundance of clever  
guards in the local colleges this sea-  
son, G. W. U. being well fortified with  
Daily and Hughes, both rugged guards  
and clever shots. C. U. boasts in  
Lynch the leading point scorer of the  
District, as well as a clever guard, Zaz-

Examination of the records  
shows that a great many students  
have not yet paid their second  
semester's activity tax. It is  
absolutely necessary that this be  
done before March 15 in order  
to get a Cherry Tree through the  
tax. Separate subscriptions must  
be paid for also before that time.

# HEARD THROUGHOUT THE COLLEGIATE WORLD

University of Idaho.

Knights of the Ball and Chain is a  
new secret organization of the fresh-  
men and sophomores at Idaho Uni-  
versity. They plan to meet the visit-  
ing athletic teams and visiting dele-  
gates to college gatherings, of usher-  
ing at college functions, and similar  
duties.

New York University.

Twenty-one students at New York  
University are being considered for  
suspension from that school because  
of suspicions of cribbing during the re-  
cent semester exams.

Georgetown Law.

The Hamilton Law Club of George-  
town Law School has recently incor-  
porated under the laws of the District  
of Columbia. The object of the club  
is to encourage debating and the study  
of law.

Carnegie Tech.

A. W. Mellon, Secretary of the  
Treasury, has given his residence in  
Pittsburgh to Carnegie Institute to be  
used as a girls' dormitory, the prop-  
erty being valued at \$125,000.

# GIVES SPANISH PLAY.

"Cinderella," in Spanish, featured  
the entertainment side of the business  
meeting of El Circulo Espanol last  
night. The members of the club tak-  
ing part were Josephine Vacarro, as  
"Cinderella"; Alonso Perales, as the  
prince; Marian Schwartz and Rebecca  
Tansil, the two sisters; Dorothea  
Storck, the godmother; and Earl  
Brown, as the herald.

zall, Georgetown's veteran guard, was  
an elusive floor man and a clever  
guard.

Daily, because of his guarding abili-  
ty, and Lynch, because of his scoring,  
are picked for the first team, although  
these is little to choose between the  
four players.

# DR. LANGDON MITCHELL LECTURES ON DRAMA

Langdon E. Mitchell, Litt. D., out-  
lined the defects of the nineteenth cen-  
tury drama and indicated a new idea  
in drama reactionary to these present  
defects as seen in a few new plays, in  
the first of a series of lectures on "The  
Drama" in the Concordia Church on  
Thursday, February 23, 1922. The lec-  
tures to follow will include studies of  
the plays of other important periods  
in the history of the drama, starting  
with that of the old Greeks.

The series he has planned will  
continue for eight weeks, each to be given  
in the auditorium of the Concordia  
Church, corner of Twentieth and G  
Streets, on successive Thursdays, be-  
ing February 23, March 2, 9, 16, 23, 30,  
and April 6 and 13. The lectures are  
open to the student body free of  
charge, a fee of five dollars being  
charged to the public.

"The series of lectures is given un-  
der the supervision of the English de-  
partment of the University, but no  
credit is given for attendance. It is  
merely an opportunity to hear a man  
who can speak ably on an important  
subject," was Dean Wilbur's comment,  
under whose efforts the lectures have  
been presented.
